

Why do I USE smokeless tobacco?

- ◆ I am around others who use smokeless tobacco
- ◆ Feel sad or frustrated
- ◆ Feel stressed/anxious
- ◆ Drink alcoholic beverages
- ◆ I think it looks cool
- ◆ I am addicted

Why is using smokeless tobacco considered MISUSE?

- ◆ Because cigarettes and smokeless tobacco are not natural products and do not reflect the traditional tobacco use
- ◆ Commercial tobacco contains many chemicals that can lead to cancer, heart disease and emphysema
- ◆ The use of smokeless tobacco is associated with stomach ulcers, elevated blood pressure and stroke

My reasons to QUIT using smokeless tobacco:

- ◆ To respect the use of tobacco as a sacred gift from the Creator
- ◆ To honor my ancestors and those I love
- ◆ To honor my life through healthy living
- ◆ My other reasons:

When should I QUIT using smokeless tobacco?

- ◆ Decide to quit on a date that has significant meaning
- ◆ Take time to clean your home, car or workspace of any items that would trigger your habit
- ◆ Establish a support network
- ◆ Develop a new routine that will help you avoid triggers to use smokeless tobacco

My Quit Date Is:
